

Rider-Waite-Smith (RWS) Tarot (Large-sized cards)

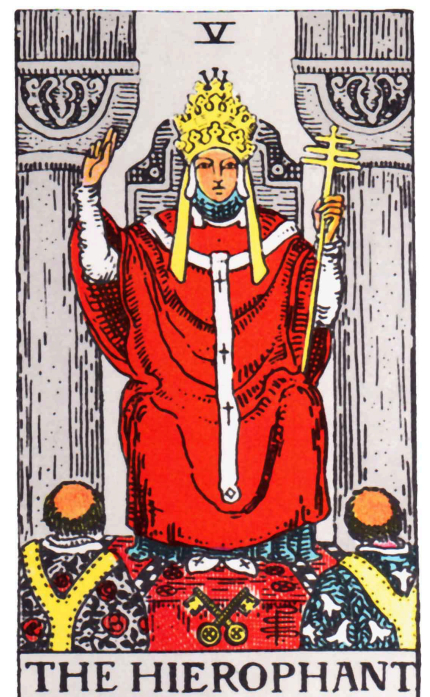

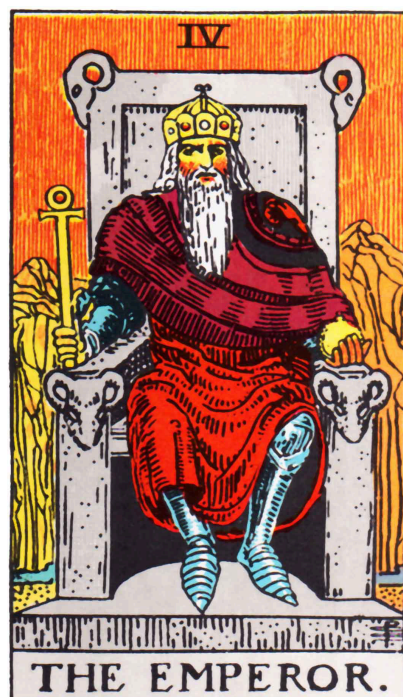

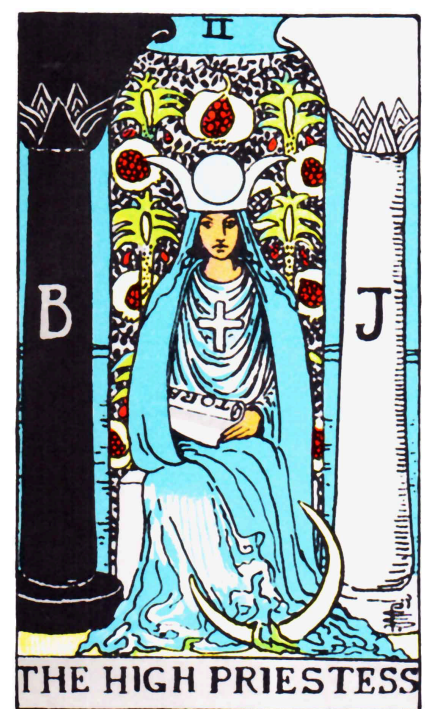

The RWS tarot was illustrated by artist Pamela Colman Smith in 1909, in coordination with occultist Arthur Edward Waite. Originally published by the English publisher Rider in 1910, it is currently the most popular tarot of all, and is now available in several versions by various publishers. The cards below have been slightly recolored by Tarot Daily Blog, based on a public domain version.
